**“Paricharcha”- Group Discussion Competition**

**18<sup>th</sup> March 2021**

**Report**

*“Always be willing to look at both sides of the argument. Understanding the other side is the best way to strengthen your own”* **Jim Rohn** in his words rightly pointed out the relevance of group discussion in the process of learning.

With the similar aim, Department of Business Administration, MAIMS under the aegis of IQAC and in association with MANTHAN Club organized a Group Discussion Competition “*Paricharcha* ” on 18th March, 2021. The event was open for all students of 4th and 6th semester of undergraduate programs.

The objective of the program is to evaluate communication and leadership skills of the students of the undergraduate program of business administration, thus enhancing the interpersonal, logical, and analytical skills of the participants. The whole event was held under the supervision of Prof. (Dr.) Vijay Kumar Khurana (Head, Dept. of Business Administration & IQAC Coordinator), Mr. Nakul Anand (Convenor), Dr. Ekta Dargan (Co-Convenor), Ms. Shilpa BSL and Ms. Shikha Sharma (Manthan Club).

It is a matter of great pride that PARICHARCHA 2021 has attracted large participation. These students were screened at multiple levels and rounds, judged by a qualified panel of internal judges from the institution. The selected teams spoke on the topic, “Role of Media in covering Kissan Andolan”, “Impact of Internet of Things (IoT) on our lives” and “Do deadlines destroy creativity?”

Total of 42 students participated in the contest. These students were evaluated in two rounds and based on the cumulative score and performance of the participant; a combined score is calculated. Finally, 10 students were declared as the winners of the final round of the contest. The speakers were judged on the basis of systematic and purposeful oral process, characterized by the formal and structured exchange of views on a particular topic, issue, problem or situation. The jury also evaluated their performance on the basis of knowledge, leadership skills, team spirit, and persuasion skills. All teams spoke with a lot of enthusiasm and energy and students’ participation took the competition to a higher level.

Of course, for the winner of the event, it was a much-deserved win and surely a learning opportunity for everyone. It has been a great experience for all the participants and organizers.

Gracing the occasion Prof. Ravi Gupta, Director MAIMS motivated the students and appreciated them for their participation. In the end, the winners were given certificates by our Director MAIMS to acknowledge their excellence.
