REPORT

Lecture on Career Advancement Via Chartered Financial Analyst

Date: 15th September, 2021

On Wednesday, 15th September, 2021, The Department of Commerce, Maharaja Agrasen Institute of Management Studies organised a lecture on various ways of career advancement and future growth for the students of 2nd year. The main objective of the lecture was to make the students aware about the importance of advance certificate courses like Chartered Financial Analyst (CFA), Financial Risk Management (FRM) and NSE Certificate Courses which can become helpful for them considering their finance and accounting background.

The programme started with a welcome address by Ms. Rachita Aggarwal, Assistant Professor, Department of Commerce, MAIMS. It was then addressed by honourable Dr. S.K. Garg, Director General MAIMS. He very well highlighted the need of such programmes in the present competitive world. He pointed that with the advent of New Education Policy, 2020, it has become even more important for the students to look out for such courses. Prof. (Dr.) Ravi Kumar Gupta then guided the students about the value and relevance of CFA and FRM programmes. The lecture took place in the esteemed presence of Prof. Manju Gupta, Head, Department of Commerce and all other faculties from the department.

Mr. Alok Sharma, Corporate Trainer and Associate Vice President, CL Educate was the resource person for the day. He along with his team explained in details the requirements and criteria for joining the programmes. He elaborated onto the contents of the course, difference between various courses, their duration and benefits of the same. Students enjoyed the lecture thoroughly. In the end a google form was shared with all the participants in order to know their preferences for the course and also to know about their future course of action so that further launch of these courses can be planned accordingly.

The session ended on a thank you note form the students. All the students were also asked to fill a feedback form seeking their views on the course as well as their future course of action.
