FACULTY DEVELOPMENT PROGRAMME

“DEMYSTIFYING THE FINANCIAL MARKET”

Held on

December 22nd, 2019

On 22nd December, 2019 Maharaja Agrasen Institute of Management Studies organised a One Day Faculty Development Programme (FDP) on the theme “DEMYSTIFYING THE FINANCIAL MARKETS”. The FDP was conducted in Seminar Hall, Block 7, MAIMS. Dr Nand Kishore Garg, Founder Chairman & Advisor MATES, Prof. S K Garg, Director General MAIMS, Prof. M.K. Bhat, Director MAIMS and Prof. G.P Govil, Advisor MAU graced the occasion with their presence. Dr Manju Gupta was the faculty coordinator of the FDP.

The session began with lightning of lamp and seeking the blessings of Ma Saraswati, The Goddess of Knowledge. At the beginning, Prof. M.K. Bhat, Director MAIMS felicitated Dr Nand Kishore Garg, Founder Chairman & Advisor MATES with a beautiful sapling to show respect and regard.

Mr Alok Sharma (C.L. Educate) was the speaker for the day. He was felicitated by Prof. S K Garg, Director General MAIMS. Dr Nand Kishore Garg, Founder Chairman & Advisor MATES addressed the gathered audience with his valuable insights and spoke about the vital importance of financial markets.

The session was attended by the Dignatories MATES and Faculty members of MAIMS and MAIT. There were no registration charges for attending the FDP. Each participant was given a certificate for attending the FDP.

The session was very insightful and informative. The main highlights of the FDP includes, on hand training, Derivatives markets, discussion about depositories-NSDL,CDSL, current status of FIIs, many useful links of websites such as forex factory.com, yahoo finance, money control.com, trading economics.com, value search online.com, kitco.com, screener. In, etc, were shared with faculty so as to enhance their learning about stock markets.

The session was conducted in 2 parts. Post lunch, the faculty were given training in computer labs, using specialised software, various modern tools and techniques were discussed, practical analysis of P&L Statements, Ratio Analysis etc. were covered.

The session was very participative and conducted primarily on an interactive basis. Overall the FDP was a great success and every faculty member participated enthusiastically.
