Maharaja Agrasen Institute of Management Studies

Education and Educators have always played an instrumental role in the development and advancement of society and humankind. We are living in an era of rapid change, with global expansion of skills and expertise in a variety of fields. The role of education has shifted from rote memorization to proactive learning. We at MAIMS are conscious of these needs and are continuously striving to attain them.

As part of our commitment to being at the forefront of education, we collaborate with and maintain excellent relationships with industry and leading corporate houses for training and internship opportunities. This gives our students an edge over others, which is reflected in our year after year high placement rates.

At MAIMS, we inspire dreams, galvanise actions, and define the vision for tomorrow. Our enthusiasm knows no bounds and our dedication to take education to new heights is indeed strong.

About the Department of Economics

The Department of Economics is one of the youngest departments of MAIMS, established in 2017. It offers Undergraduate Degree Programme i.e. BA (H) Economics. Currently, there are six faculty members in the department who either hold doctoral degrees or are pursuing it.

The department offers a blend of theoretical and applied knowledge of Economics supplemented with quantitative methods to its students along with immense opportunities beyond academics. Under the aegis of Arthanomics Club, students are encouraged to organize and participate in all the educational and extracurricular activities which help them to enhance their understanding, creativity and interdisciplinary approach towards learning.

Further, the department offers a unique opportunity to its faculty and students for undertaking quality research and runs its bi-annual peer reviewed referred research journal i.e. MAIMS Economic Journal. The department keeps on organizing International Conferences, Faculty Development Programmes, Workshops, Skill Enhancement Certificate Courses among the others from time to time to enhance learning of faculty as well as students.
