

ILLUMINATE

Purpose

Illuminate - The Learning Hub of Maims which not only help you to acquire knowledge but also provide you with internships that upholds your CV and make you one step closer to your career. Illuminate was started in 2018 with a vision to help , grow and acquire new hard and soft skills within the students , to polish them in various arenas , to help them engrave a path to initiate their own startups and shine in the corporate world.

All these benchmark activities intended to develop self - efficacy and confidence in students; to enhance and nurture the leadership and entrepreneurial skills of students.

We have:
