SWARAAG

Mission statement:

The mission of Swaraag is to create good music with each of its members giving their unique flavors to the final product. To have people with good music taste under one name to create something unique and learn from each other in the process of formation.

We aim at providing students a platform to showcase their skills, their talent, and to grow together, discovering what lies along the path of good music, and bonding over it.

Objectives:

- To enhance individual skills and grow together as a group.
- Creating original music and performing it for the audience.
- Combining the opinions of each member and creating a unique style.
- Building up stage confidence and confront the stage fear.
- Working towards creating a community with similar interests and goals.
