Program Feedback Analysis by Student

ACADEMIC YEAR: 2020-21

Action Taken Report

Following steps were incorporated on the basis of feedback received by students:

S.NO.	FEEDBACK MENTIONED	ACTION TAKEN
1.	I think the syllabus needs to be updated and more practical focused rather than theoretical	The syllabus is revised and implemented from 2017 batch onwards. New syllabus is more practical oriented.
2.	Need to improve the library with good quality books with additional extra curricular books.	The library is improved and more books are added. Spiritual library is also there to read the books there. The subscriptions of many journals are also available.
3.	Theoretical knowledge does not align with industrial knowledge	Many webinars have been organized where industry experts shared their practical knowledge with students.

Program Feedback Analysis by Faculty

ACADEMIC YEAR: 2020-21

Action Taken Report

- Institute is regularly working towards improving its infrastructure and to indulge teaching in a friendly environment.
- Outdated theories are there in most practical subjects, those need to be updated and the course itself needs a re-evaluation and more modern day related concepts.
- Seminars, Conferences and Workshops on latest topics conducted on a regular basis to provide more practical knowledge.
- Revision of Syllabus should be on a regular basis and more autonomy/suggestions provided by faculty should be incorporated in the University Curriculum, keeping this in view University Syllabus is also updated from batch 2021. In the new syllabus MOOC courses and research projects are also included in the syllabus. One subject Research Methodology and Research Methodology Lab is also included as a part of curriculum.

Action Taken Report for Feedback provided by Alumni ACADEMIC YEAR: 2020-21

Following steps were incorporated on the basis of feedback received by Alumni students:

S.NO.	FEEDBACK MENTIONED	ACTION TAKEN
1.	Students have a lot of trouble finding internships. College must do something about this.	The placement cell has actively helped students seek internships as well as placements in top companies
2.	Practically oriented subjects and events related to that	The department has conducted several events that are directly associated with practical learnings related to subjects such as start-up competition, environmental quiz, webinars, research proposal competitions.
3.	Alumni should be involved in events and should be invited for lectures as well.	Alumni students have been invited in various events as guests of honor to deliver talks and also share their experiences to bridge the knowledge between academia and industry. Also the alumni meet was organized to enhance relations with the alumni.
4.	Industry experts should be called to share their experience	Many webinars have been organized where industry experts shared their practical knowledge with students.
