Report **Industry Visit- Container Corporation of India Ltd.** **(Government Undertaking)**

On Monday, 17th October, 2022, Department of Commerce, Maharaja Institute of Management Studies, organized an industry visit to Container Corporation of India Ltd. Container Corporation of India Ltd is a Navratna Company and is an undisputed market leader having the largest network of 61 ICDs/CFSS in India (59 terminals and 2 strategic tie-ups). In addition to providing inland transport by rail for containers, it has also expanded to cover management of Ports, air cargo complexes and establishing cold-chain.

The objective of the visit was to help students gain a practical insight behind industry's working methods and operations. The visit was organized to provide students with an opportunity to test their theoretical knowledge and understand the practical functioning of industry system. 40 students from Commerce Department, MAIMS along with Dr. Kamal Gupta, Assistant Professor (Department of Commerce) and Ms. Shreya Garg, Assistant Professor (Department of Commerce) went for the visit.

The day started with a motivating address by Prof. (DR.) Rajni Malhotra, Director, MAIMS and Prof. (Dr.) Manju Gupta, Head, Department of Commerce. Prof. (Dr.). They started with pointing out the importance of industry visit in building entrepreneurial mindset among students and enhancing their understanding.

Following the address note, students were boarded in the bus and the bus left the college at 10 A.M. The bus reached the industry unit at 12 P.M and students were gathered at the main operation ground of the unit. The Chief Head and the Manager of the corporation welcomed students and started explaining the background of the unit, business objective and working methods followed in the corporation. They also highlighted the significance of each machine present in the operation ground. Students took an active interest and came up with lot of questions which were attended by the Manger.

The Chief Head and the Manager of the corporation gave a full tour of the industry unit explaining the logistics and importance of each segment. The students were taken to all the sub units like storage, packaging, transit container unit and weighing unit. The students participated enthusiastically and cleared their doubts regarding taxing of commodities, competitors existing in the industry, technicalities

of the operations etc.

The visit ended at 4 P.M and students were boarded back into the bus and were dropped to the college.
