The Action Taken Report 2018-19 was presented to the Governing Body as per the agenda 5 of approval. The Governing Body approved the Action Taken Report.

### ACTION TAKEN REPORT (ACADEMIC YEAR 2018-19)

S.NO	RESPONDENT	FEEDBACK	ACTION TAKEN
1.	STUDENT	Students should be provided with a platform to apply their diverse skill set.	The college has conducted many debate competitions, quizzes and group discussions.
		Students suggested that they should be imparted training on facing Job Interviews specifically for Campus Recruitment Drive	Workshops on Mock Interviews are conducted on alternate Saturdays by calling experts from Industry etc
		There should be more emphasis on imparting relevant insights.	On a regular basis, seminars, conferences, and workshops on current issues are held to give additional practical information. Additionally, case studies are taken up respective to each course curriculum to give an insight to students in the reality.

2.	<b>ALUMNI</b>	The activities organized by the	Various sports events, literary events based on the life skills such as teamwork, leadership, accountability, patience, and self-
		College should meet all the objectives of overall development of the students	confidence have been conducted to prepare them face life challenges.
		To include more and better practical learning experiences to enhance the level of understanding.	Many workshops and seminars have been organized where industry experts shared their practical knowledge with students
3.	<b>FACULTY</b>	The need for more value added sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories	The College has created a number of valueadded courses for the most recent advances. It has enabled teachers to stimulate independent learning, challenge students' world views, project enthusiasm for the subject matter.
4.	<b>EMPLOYER</b>	Exposure to latest developments and advances should be known to the students	Experts were invited to share their Knowledge to our faculty and students. This helped them to interact with the resource persons and was motivated to take up jobs which has challenging future ahead.
