The Action Taken Report 2020-21 was presented to the Governing Body as per the agenda 5 of approval. The Governing Body approved the Action Taken Report.

ACTION TAKEN REPORT (ACADEMIC YEAR 2020-21)

S.NO	RESPONDENT	FEEDBACK	ACTION TAKEN
1.	STUDENT	Students demanded inclusion of e-resources in the curriculum along with physical references	Study material, PowerPoint presentations, and past online video lectures were made available to students via Google classroom
		Physical classes were abruptly suspended due to pandemic	Within a short time a virtual learning environment was created using different platforms such as Google Meet, Zoom, to conduct online classes as per the timetable. It was complemented with communication via Whatsapp, Email, and Google Classroom to resolve any doubts and enhance the degree of conceptual clarity.
		Students expect the inclusion of experiential learning	E-resources were given to students through LMS (Google classroom), so that adequate learning material and resources reached the students in time.

2.	ALUMNI	Suggestions to give more training for competitive exams	MCQs based assessments were conducted regularly for the students appearing in last year in Mentor-Mentee session.
		Industry experts should be called to share their experience.	Many webinars have been organized where industry experts and shared their practical knowledge with students
3.	FACULTY	Availability of online resources required in teaching and research activities and insights to publication opportunities was requested	Access to DELNET database was given to explore a wide range of national, internationals e-books and ejournals in the area of accountancy, economics, finance, human resource management etc . FDP titled “Research Congress” was organised to have a better acquaintance of essentials of research and publication opportunities.
		Issues regarding students and teaching/learning/evaluation in a completely online environment	Regular online faculty meetings to discuss and learn. Procurement and adoption of software such as gsuite to ease the documentation work. It was decided to include the E-learning methods so as to highlight how the college adapted to Online Teaching Methods and the Innovative practices being used for Online Teaching
4.	EMPLOYER	All respondents stated that they would prefer to recruit more students in the future.	The college aims to keep performing consistently in this regard.
		companies suggested the students to go through the Job Description and Research more about the role.	The Placement Officer held sessions for the third-year students’ sitting for placements to help them prepare for the process and make them understand the job profile better.
