During her brief stint, Vaishnavi Dogra came across as remarkably swift, diligent and sincere. There was enthusiasm to learn varied subjects in law, despite not having already studied them in law college. I involved her with me in some of my matters or legal opinions in hand, such as Hindu Marriage Act, Hindu Adoption, Breach of Contracts, Jurisdiction of an arbitrator, Cryptocurrency in India, Right to privacy, legality of private, detective agencies, sting operations and cyber stalking in India and extradition and allied laws.

She showed equal interest in helping me compile contents for my social media page, where I aim to simplify legal up dates and restate complex laws of public interest in simple language for the benefit of people.

Over all, Vaishnavi is an excellent candidate. She readily signed up with me for a virtual stint and remained available at my disposal each and every time. I strongly recommended her for further better and substantial prospects, with all my best wishes.
