I had the benefit of Yuvraj Kundu S/o Mr. Sanjay Kundu, 5th year student of Guru Gobind Singh Indraprastha University, New Delhi, interning with Pradeep Rana and Associates for a period of about 1 month commencing from 1st Aug, 2021 till 31st Aug, 2021.

He demonstrated an uncanny ability to find solutions to sticky questions of law through his research. I found him ready to walk away from the orthodox and traditional paths and explore new interpretations and alternative views which were remarkable for somebody of his age. His focus in research and analytical disposition exceeded expectations to deliver results that matched a promising law student.

During his internship Yuvraj Kundu was always ready and willing to learn and assist in topics which required in depth study of various facets of procedural laws and substantive laws pertaining to subjects like Criminal Law, Family Law, MCOCA and always strove himself to the hilt in all endeavors. He took special interest in Criminal litigation, exploring the law across countries. He was actively involved in the legal drafting work such as drafting of written arguments, petitions, written complaints and legal notices. He also researched and analyzed several provisions of law and topics in law.

In my interaction with him, I found Yuvraj Kundu to be focused and dedicated individual. He has the ability to put forward his views convincingly and is very confident in presenting the same. He has shown tremendous potential as an intern and has been an asset to the firm. I found him ready to join the bar, I am sure he has a great future for which I wish him the very best..
