A **Virtual Add-On course** was organized for three months by the Department of Journalism and Mass Communication of Maharaja Agrasen Institute of Management Studies. The Inaugural Ceremony took place on 29th January 2022 on the meet and was full of enthusiastic people, 25 students who registered for the virtual add on course and all the faculty members of the department of journalism and mass communication.

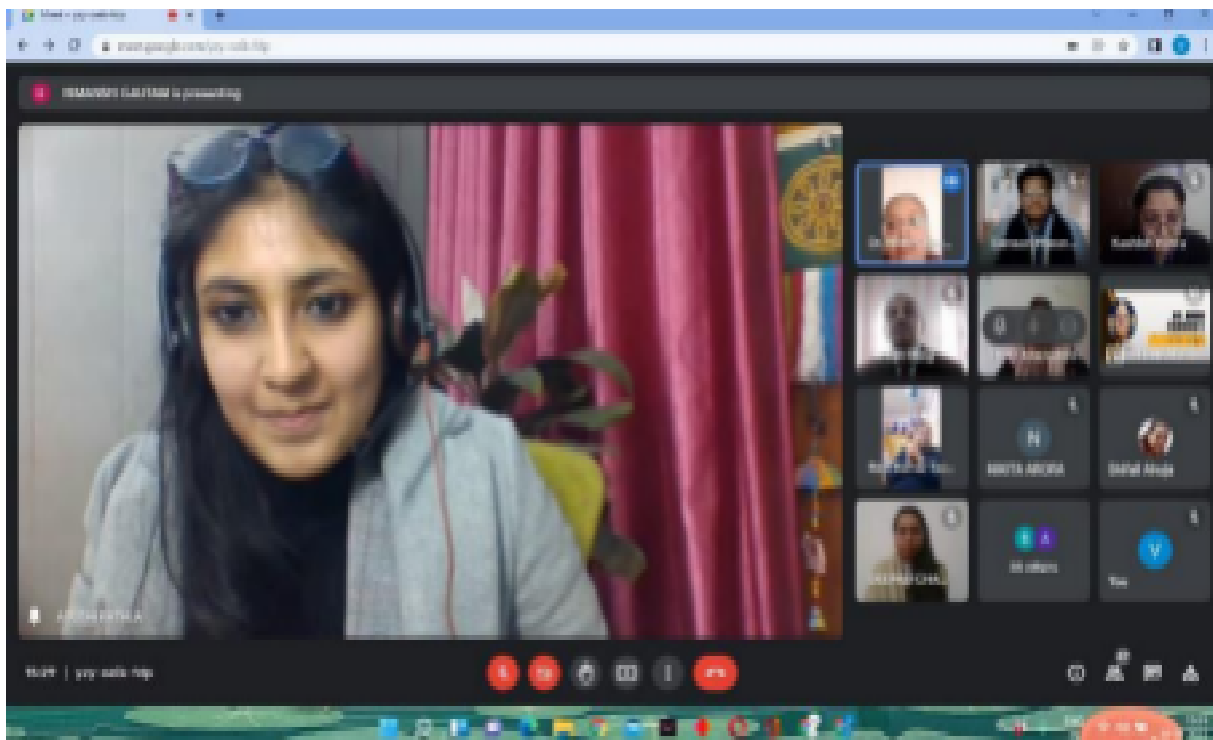

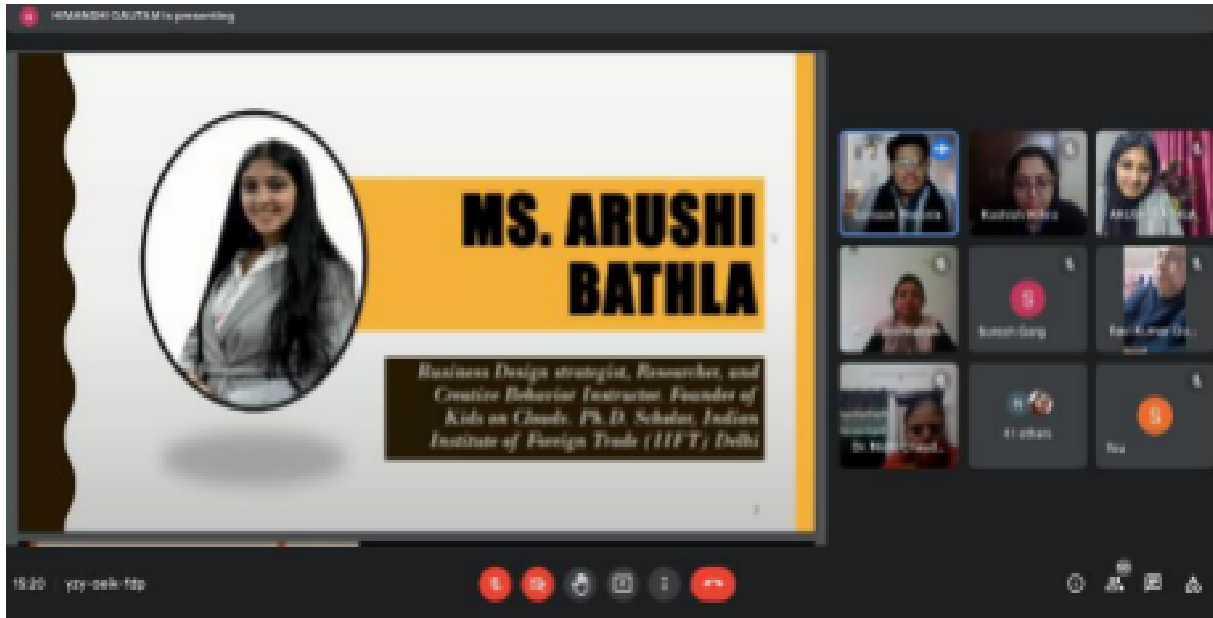

In the Inaugural Session, our eminent dignitaries of the college namely **Prof. (Dr.) Ravi Kumar Gupta**, Director, Maharaja Agrasen Institute of Management Studies, and **Dr S.K.Garg**, Director General, Maharaja Agrasen Institute of Management Studies encouraged everyone by giving their best wishes for the online course. **Dr Nidhi Chaudhry**, Faculty coordinator, Add-on course conveyed her heartiest welcome to **Prof. (Dr.) Vinita Gupta**, HOD, Department of Journalism and Mass Communication and the Resource Person, **Ms Arushi Bathla**, a PhD scholar with the Indian Institute of Foreign Trade.

Prof. (Dr.) Vinita Gupta encouraged students to be creative and share her experience in the field of media she showed willingness towards this new course and told everyone that they should recognize this opportunity. After that, The resource person **Ms Arushi Bathla** used videos to introduce the course and the course module and told students how she was going to evaluate all the details in the **16 Modules program**. Ms Arushi Bathla shared with students what creativity means, in response to which many students answered very enthusiastically.

The introduction session began with the module, which had the first session in which **Ms Arushi Bathla** made **FOUR TEAMS: TEAM GREEN, TEAM MUSTARD, TEAM YELLOW, and TEAM BLUE**. Ms Arushi Bathla assigned tasks to teams and students of all four teams come-up with brilliant ideas, it was a wonderful interactive session, every student

was interacting with **Ms Arushi Bathla**. The students who participated showed excellent responses to which the resource person was immensely happy.

Everyone present in the session was very delighted. In the end, **Dr Nidhi Chaudhary** Assistant professor, Maharaja Agrasen Institute of Management Studies ended the session by thanking everyone and acknowledging the organization teams, resource person, and special guests to have this wonderful session and went on a credit note.

MODULE 2

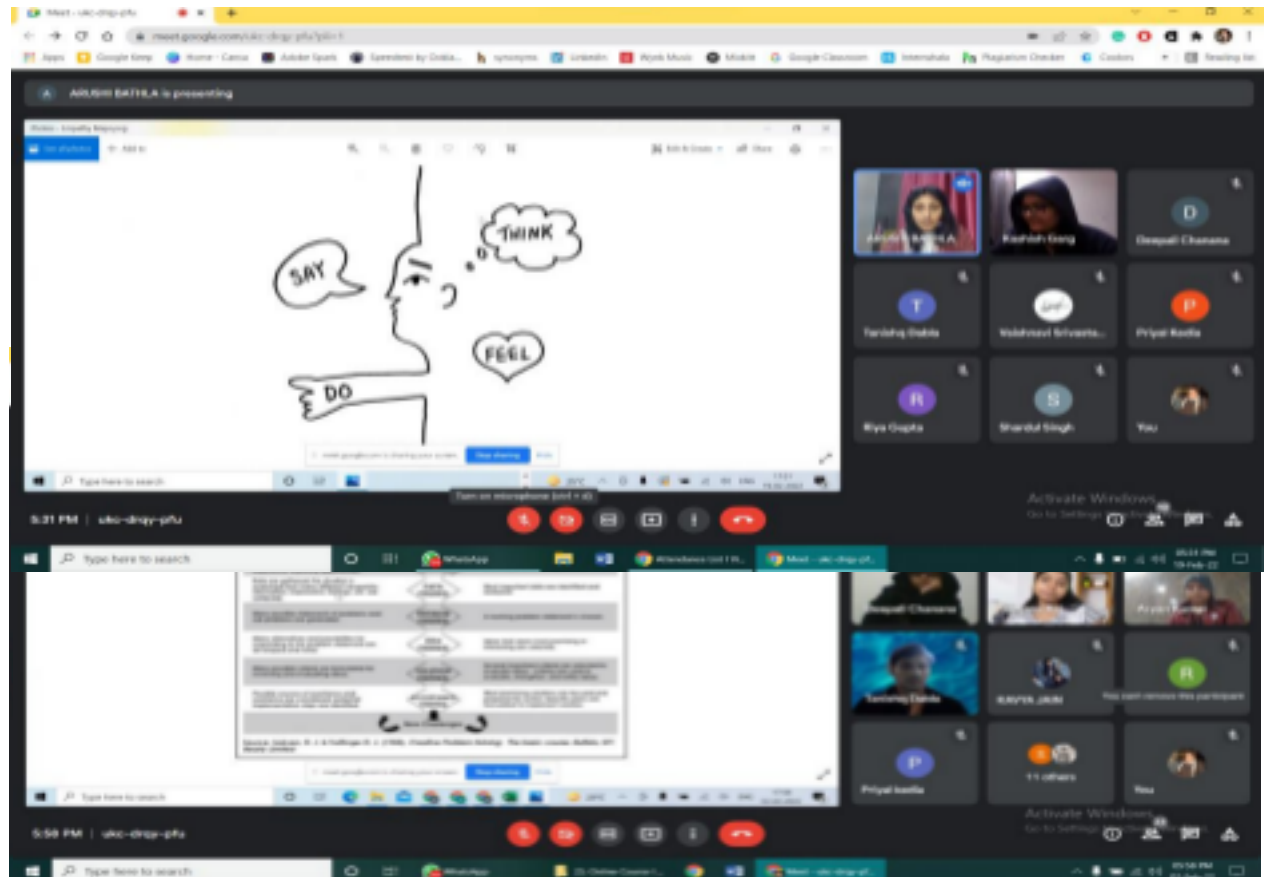

2nd February 2022, the second day of the add on the course started with the kind words of Ms Arushi Bathla she gave a task to each team on the topic of creativity as critical thinking where the main focus was on creative thinking in Music. Team orange did well. At the end of the session, the coach conducted a minute breather with everyone.

MODULE 3

5th February 2022, the third session started with enormous motivation from the coach again this time the session's focus was on Using De Bono's Six Thinking Hats Model to Teach Critical Thinking and Problem-Solving Skills Essential for Success in the 21st Century Economy the coach gave a task to the teams to create a budget for their company according to their idea and every team did it well.

MODULE 4

9th February 2022, this time the evening started with a great session on the topic of Objective finding, fact-finding and problem-solving. Team blue did well. At the end of the session, the coach conducted a minute breather with everyone. They all showed their creativity and brainstorming skills.

MODULE 5

12th February 2022, creativity triggers when you brainstorm ideas with your team so was the evening's topic all the teams brainstorm and come up with ideas to create a company they choose their topics according to their will and work on those topics throughout the rest of the sessions each team made a hypothetical company and plan their entire circuit.

MODULE 6

19th February 2022, all the teams work on their topics create their work and showcase it to the coach they talk to people to know their viewpoint on their companies ideas then they take feedback from their coach and correct it in the session and it was very interactive. At the end of the session, the coach conducted a minute breather with everyone.

MODULE 7

26th February 2022, the session started with a fresh start. Team orange explained their idea and how they want it to grow. They gave detailed research to the coach on how they are going to generate income from this idea. All the teams were asked to have a talk with their friends and find out their views on their company idea.

MODULE 8 TO MODULE 11

27th February 2022 to 6th March 2022, these sessions were allotted to the teams for growing their skills to create and explore the possibility of growth of an idea as a business for which all the teams talk to many people and interact with the coach and learn new things such as how to solve the critical problem by using creative thinking in these sessions all the teamwork on their ideas and researcher all the data based on some techniques that coach teaches them during the sessions and they all apply their previous knowledge to grow their business.

MODULE 12

12th March 2022, this evening started with a warm welcome of our guest **Mr Aditya Goel** founder and CEO of QuirkyByte Media. A successful media entertainment portal running and changing Hollywood Media in India since 2015. He also co-founded Greenbrew Green Coffee back in 2016. He shares his way of using creative thinking in the field of media and how one can explore creative thinking in any field. It was a very fruitful and interactive session.

MODULE 13

13th March 2022, this evening started with welcoming our honourable guest Mr **Anubhav Srivastava** He is a Sales Leader, a Keynote speaker, and an Ex Consultants He has authored and published two fiction and one poetry book that have broken multiple records on Amazon India. He has also given innovative TED Talks so far, namely 'The Juggling Showman and 'The Subtle Art of balance ' he has a very interactive session with all the students. He explains so many techniques that he uses during his journey and has a great fun session with participants.

MODULE 14 & 15

19th and 20th March 2022, in these sessions participant, finalizes their work for the final project report all the teams work on their ideas and finalizes their strategies and business model and discuss them with a coach all the teams came up with a beautiful idea and team orange came up with the idea of a company that help old people and give them business all

the other team also come up with a great idea.
