Skill Enhancement Certificate Course

“Business Analysis Using MS-Excel ”

12th August-25th October 2019

REPORT

Excel is the most effective tool for managing and analyzing data of all kinds. Its increasing use in several management functional areas is generally recognized. This dynamic tool provides several options for not only making the task easier, but also for improving the sophistication of data reporting and analysis. Its numerous advantages motivate IT faculty at MAIMS to create a certificate course on Business Applications of MS Excel -Basics for our students benefit.

This Certificate Course was the initiative taken for undergraduate students. The prime objective of the course was to introduce students to basic commands, useful functions, and capabilities of Microsoft Excel used in business. The course focused on in-depth Excel courses, including how to use various Excel formulas, tables, and charts to manage small to large-scale corporate processes. Each Microsoft Excel training session emphasized time-saving tactics, as well as discovering previously "programmer-only" capabilities. Along with this practical and usable training, students also learnt how to integrate their work within the Office “family” for achieving greater results.

The registration for course started from 08th August 2019. The classes began from 14th August 2019 which ended on 27th September 2019. The classes of 1st Batch were conducted on Monday, Wednesday and Friday and the classes of 2nd Batch were conducted on Tuesday, Thursday and Saturday. All the classes were offline. The timing of the classes was 3:00 pm to 4:30 pm. The feedback forms were filled by students following every session. At the end of each session there was a quiz to assess the understanding level of the students. And, after completion of all sessions a combined final quiz was conducted from all sessions. The course was divided into multiple sessions and each session was taken by different faculty members. The valedictory of the course was conducted on 25th October 2019.

Two batch of students were formed to provide them more attention for each session. The course was divided into 20 sessions and each session was taken by different faculty members.. At the end of each session there was a quiz to assess the understanding level of the students. And, after completion of all sessions a combined final quiz was conducted from all sessions.

It was a great learning experience for the students as well as for the faculty. Following faculty members acted as the resource person of the course Ms. Neetu Agarwal, Ms. Sarita Bansal Garg, Dr. Deepak Dagar, Dr. Sushila Gupta, Ms. Rashi Agarwal, Ms. Shruti Sharma and Dr. Sangeetal Rawal. Certificates were given only to such students who successfully qualified all the four parameters, namely, attendance, feedback forms, assignments and Quizzes. Total 120 students across the country have registered for this course and it is worth mentioning that all have qualified all the above stated parameters.

Such programs always give an edge to the students when it comes to working in the corporate world. Knowledge of excel has become the essential part of every business and job. The credit for
