Pre-Placement Talk Competent Automobiles Co. Ltd.

MAIMS has always served as a stepping stone for students who are prepared to expand their wings and soar to great heights in the future. On December 24, 2021, Competent Automobiles Co. Ltd. organized The Pre-Placement Talk for senior-year students online via gmeet in pursuit of this objective.

The Pre-Placement talk was led by **Mr. Nitin Agarwal** (nitin.agarwal@auto.com), and the session gave the recruiter and the student an opportunity to communicate in order to determine the compatibility between the student's aspirations and the recruiter's needs.

An hour-long pre-placement speech included the speaker teaching the recruiter's desired values and igniting their dreams of confidence and success. It was a highly educational discussion that not only helped students clarify their questions about the field's future, but also helped them better prepare for the interviews they will face in the future.

There were **340** students present for the lecture. The speaker addressed all questions pertaining to post-secondary education or employment, wage packages, and ultimately encouraged the audience to study diligently, continuously strengthen their soft skills, and participate in extracurricular activities for personality development.

The Faculty coordinators were:

Dr. Preeti Bansal (Assistant Professor)
