Pre-Placement Talk

Blanchard Research & Training India Ltd.

The Maharaja Agrasen Institute of Management Studies (MAIMS) has always endeavored to safeguard students' futures and assist them at every turn. On February 23, 2022, Blanchard Research & Training India Ltd. hosted a Pre-Placement Talk for final-year students in 9th Block Seminar to encourage them to seek employment.

The Pre-Placement Talk was led by **Ms. Kajal Jhansal** (kajalj@yomamultinational.com) in an effort to prepare the students for the workforce. A one-hour discussion included topics such as resume writing, interview perspectives, the key to a successful interview, communication skills, body language, etc. An interactive session in which the students were given enough opportunity to ask all of their questions to the speaker was deemed a big success when a new sense of confidence was noted in the kids.

The Talk also offered to clarify facts such as income breakdown, job description, place of employment, bond information, etc. with the employer. Total **147** students took part in the discussion.

The Faculty Coordinators for this event were:

Dr. Bharti Chaudhary (Associate Professor)

Ms. Neetu Agarwal (Assistant Professor)
