Managerial Skill Development _Skill Enhancement Course 19th August-25th September 2019

Convenor Report - Dr. Charu Mohla

The intention to learn management theory is to apply it. Because the management theories root in the practice, and serve for the practice, only by studying them from textbooks cannot achieve the intention of the learning. Cognitive learning must be creatively applied and emotionally experienced to provide a well-rounded educational experience. To enable the students to feel enthused, empowered and ready for the external environment Maharaja Agrasen Institute of Management studies continuously strives to deliver Skill Enhancement programs that aim at Experiential learning. In the same endeavor, Maharaja Agrasen Institute of Management Studies, Department of Business Administration started a Skill Enhancement Certificate Course on 'Managerial Skill Development'. The course was started for undergraduate students of MAIMS and other colleges. The Inaugural session for the Skill Enhancement Certificate was held on August 19, 2019 and the course ended on 20th September 2019. With 15 sessions of 2 hours each, the course was of 30 hours duration in total. Total 118 students enrolled for the course. 2 batches were formed, the classes of 1st Batch were conducted on Monday, Wednesday and Friday and the classes of 2nd Batch were conducted on Tuesday, Thursday and Saturday. All the classes were offline. The timings of the classes were 3:00 pm to 5:00 pm. The valedictory of the course was conducted on 25th September 2019.

With business education at an inflection point, we must strive to equip future leaders with competence and confidence to address emerging global business and social challenges. With this objective in mind, the layout of the Skill Enhancement Certificate Course was made meticulously. The knowledge of these sessions will help our students to become dynamic, resourceful and proficient managers of tomorrow.

The certificate course was headed by Dr. Manoj Verma, Head, Department of Business Administration. The course was convened by Dr. Charu Mohla, Assistant Professor, Department of Business Administration and co-convened by Dr. Shilpee Aggarwal, Assistant Professor, Department of Business Administration. Faculty members from the Department of Business Administration acted as the resource person for the course covering various topics of management as per their expertise. At the end of every topic, students were required to fill a feedback form. They were also required to participate in a short multiple choice based assessment covering all topics. Criteria of certification is threefold i.e., Attendance, Feedback form and Completion of multiple-choice question quizzes on time. The pedagogy followed is in coherence with the current requirements in order to bring out the best in the students to be successful managers.

We are confident that our current curriculum has enabled the overall development of budding managers to come up with the expectations of the corporate world. Our heartfelt gratitude to Dr.
