Pre-Placement interaction with AMAZON

The Maharaja Agrasen Institute of Management Studies (MAIMS) has consistently prioritized its students' future success. The notion that the future belongs to people who trust in the beauty of their goals, Amazon hosted a pre-placement interaction on December 18, 2018 in the Mini Auditorium.

Mr. Saurabh Agarwal (Saurabh.Agarwal12@gmail.com) was the speaker for the Pre-Placement Interaction, in which the students were given a comprehensive grasp of the organization, the job presented, and the business standard operating procedures, among other things.

During the interactive phase of the Placement Talk, the students not only had a better grasp of the company and whether they would be a better fit for the roles given, but also had the opportunity to interact with the speaker to clear up any misconceptions.

The talk was attended by a total of **197** students who came prepared with in-depth research and, as a result, left an overall positive impression on the speaker.

The Faculty Coordinators for this event were:

Ms. Kamna Vaid (Assistant Professor)

Ms. Rashi Agarwal (Assistant Professor)
