The Maharaja Agrasen Institute of Management Studies (MAIMS) is steadfast in its pursuit of student's total development. In the same vein, South Indian Bank Ltd. planned a Pre-Placement Talk on April 28, 2022 online via Gmeet for senior-year students.

Ms. Pooja Gupta (pooja.gupta@Southbank.com) presided over the Pre-Placement discussion. Using the most updated training techniques, a two-hour session led by a renowned specialist in the industry enabled our students to meet the difficulties of the business world. In this approach, the students abilities are enhanced so that they can confront the demands of a competitive world.

The purpose of the presentation was to impart the fundamental soft skills that are expected of every student applying to this company. The presentation addressed Interviewing Skills, SWOT (Strength Weakness Opportunity Threat) Analysis, Aptitude Development, Resume Writing, Personal Grooming, etc.

Total **233** students registered for the event, which received an overwhelmingly positive response.

This discussion allowed the children to explore new concepts and develop their personalities. With such an engaged round in which students clarified all their questions, the discussion was successfully finished.
