BLOOD DONATION CAMP- 23 January 2021

A Blood donation camp was organized by Nav Chetna Club, cultural society of MAIMS, in collaboration with Red Cross Society and Rotary Blood Bank and Rotary Club of Delhi Midwest on 23rd January 2021, through which more than 125 units of blood was donated by both students and the staff members of our college. The drive began at 10.00 a.m. with a short inaugural function where in our founder chairman Dr. Nand Kishore Garg expressed his gratitude to the Red Cross Society of the college for its continuous endeavor in this regard. Our honorable Director Prof. (Dr). Ravi Kumar Gupta encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. It is a gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our college has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

The blood donors were given fruits, Biscuits and frooti after donating the blood in order to reenergize themselves. The blood donors were provided with a blood donation certificate card.
