The event was organized by DELHI STATE LEGAL SERVICES AUTHORITY (DSLISA) and PARA LEGAL VOLUNTEER OF SCHOOL OF LAW MAHARAJA AGRASEN INSTITUTE OF MANAGEMENT. The teams reported at 01.00 P.M. We started to gather people near the allotment performance area around 01.30 P.M. so that more and more people can be engaged. Theme of the performance was "BURNING ISSUES OF WOMEN". The aim of performance was to spread awareness and enacted the issues faced by women like domestic violence, acid attack, dowry, cybercrimes against women. Through our act we were able to highlight the social reality and put across the message on women safety to the Audience. We staged a play on the theme Gender Equality, Violence on Women and Acid Attack in an attempt to raise awareness and solutions among the masses. The event of Nukkad Natak was a showcase of talent and enthusiasm of the students. The students not only enacted on the social oppression faced by women but also provided the solution for the same. Although it seemed like a tough task, yet our college SCHOOL OF LAW, MAHARAJA AGRASEN INSTITUTE OF MANAGEMENT STUDIES performed, interacted and distributed the templates about the help that victims can seek assistance from the DSLISA, Helpline number, NGOs and other resources.

Preparing and performing a Street Play on such controversial topic in the rush hour at the main Market to the public at large was a difficult task but students did some exceptional work. The play was prepared under the guardianship of Mrs. Purnima Gupta and our actors included students from Third year – Sneha, Shalini, Shruti, Keshav and students from Second year - Sonakshi, Punnya, Chahat, Aditya, Kunal. The play was filled with some humorous, emotional meaningful scenes which impressed all kinds of audience present there. The collaborative effort and the hard work helped us leave an incredible

mark in the mind of spectators. The moving performance carried itself to the audience and received lots of appreciation from the audience at large as well as the appointment lawyer and officer. Being law students we have all heard about the incidents in the newspapers and laws in our textbooks, but the Nukkad Natak gave us a much better understanding about the agony faced by women and the remedies available to them. We were able to talk to the women and children who witnessed the whole play we interacted with them and made them conscious about their rights. The hard work and dedication are just some of the many components of the students which helped make the FIRST public performance of play of SCHOOL OF LAW, MAIMS a great success.
