MAIMS has always encouraged building of a successful and secure future of the students. The belief that the future belongs to those who believe in the beauty of their dreams, a pre placement talk was organized by OM Telecom Logistics Pvt. Ltd. on May 20, 2021.

The Pre placement talk was headed by the speaker **Mr. Saurabh Agarwal** (Saurabh.agarwal12@gmail.com) in online mode through zoom platform wherein an initial stone of understanding amongst the students regarding the company, the role offered, the business SOPs and so on were put in clear perspective of the students.

The main goal of the talk was to introduce students to Corporate Culture, tell them how things work there, and make them feel at ease when they have to deal with it. The goal of the talk was to help the students understand how Group Discussions work and get over their fears of Personal Interviews so they could go into them with confidence.

The talk saw enthusiastic participation from total **290** students who had come prepared with their in-depth research and hence left an overall great impression on the speaker as well.
