Pre -Placement with AMAZON

Maharaja Agrasen Institute of Management Studies (MAIMS) has always strived for a successful future of its students. The belief that the future belongs to those who believe in the beauty of their dreams, a pre placement talk was organized by Amazon on September 12, 2017 in Mini Auditorium.

The Pre placement talk was headed by the speaker **Mr. Saurabh Agarwal** (Saurabh.agarwal12@gmail.com), wherein an initial stone of understanding amongst the students regarding the company, the role offered, the business SOPs and so on were put in clear perspective of the students.

The students got an insight during the interactive session of Placement Talk to not only gain better understanding of the Company and whether they fit better in roles so offered but also interact with the speaker to clarify their cloudy thoughts regarding it.

The talk saw enthusiastic participation from total **221** students who had come prepared with their in depth research and hence left an overall great impression on the speaker as well.

The Faculty Coordinators for this event were:

Dr. Sunita Tank (Placement Officer)

Ms. Kamna Vaid (Assistant Professor)
