5.	Sensitisation towards environmental sustainability		
6.	Sensitisation towards nationalism and patriotism		
7.	Sensitisation towards leadership and entrepreneurial skills		
8.	List of Activities: Supporting the Practice	10	

SENSITISATION TOWARDS SOCIAL RESPONSIBILITY

The students at MAIMS, actively take initiatives to organise visits to villages and slums which we believe to be an effective way to sensitise students towards their social responsibilities. These visits help students understand the challenges faced by underprivileged communities and develop empathy towards them. Moreover, it has provided students with an opportunity to contribute towards the betterment of society.

Visits to villages and slums can be a transformative experience for students. It has broadened their perspective and equip them with the skills and knowledge required to become responsible citizens of the society. It has inspired them to use their education and resources for the greater good and make a positive impact on the world.

SENSITISATION TOWARDS WOMEN EMPOWERMENT

Lectures on women's empowerment have proven to be an effective way to sensitise students towards this issue. We have invited experts to speak on various topics such as gender equality, women's leadership. and Such rights, lectures have provided students diverse perspectives with women's empowerment and enable them to think critically about gender issues.

sensitised Such have events students towards women's empowerment and provide them with diverse perspectives on this issue. Educators can play a critical role in facilitating such experiences and integrating lessons on women's empowerment into the regular curriculum, and believe in providing that to our students. By empowering students with knowledge and skills to promote gender equality, we have tried to create a more equitable and just society.

SENSITISATION TOWARDS HEALTH & HYGIENE

Events like health camps, cleanliness drives, or awareness campaigns have proven to be effective in promoting health hygiene among students. Such events have created awareness about the importance of hand hygiene, sanitation, and vaccination. Students participated in these events and learnt about the impact of poor hygiene practices on individual and community health.

SENSITISATION TOWARDS SELF CONTROL & SELF RELIANCE

Self-Defense **Training** organised programs by students at MAIMS has been an effective tool to promote self-reliance among students. Such programs can provide students with skills and knowledge to become selfsufficient and independent.

Moreover, we have observed that our students were encouraged to develop their spiritual practices, such as meditation, prayer, reading spiritual texts. Students can taught the importance be mindfulness and self-reflection in developing spiritual and personal growth. At MAIMS, we provide students with all the resources required educate themselves towards these values at our spiritual library.

Spiritual Library- Mata Malti Singhal Adhyatmik Library: For high functioning and learning, a collection of hundreds of Spiritual books facilitated students extensively. Maharaja Agrasen Institute of Management studies believes in 'unity in diversity', it not only preaches this concept but also practice it and one of the finest examples of this unity is the Mata Malti Singhal Adhyatmik Spiritual Library of Maims in which there are more than 1000 books available of different religions and cultures and maims always strives for preaching and practicing good thoughts.

U

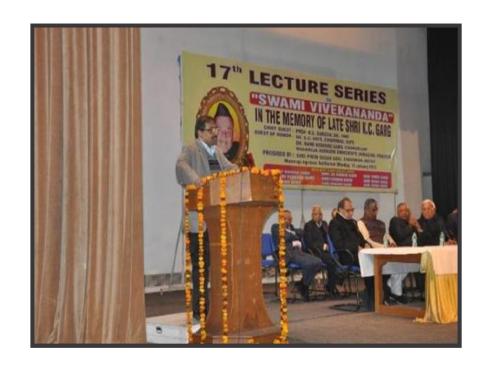

SENSITISATION TOWARDS ENVIRONMENTAL SUSTAINABILITY

Environmental sustainability is a crucial issue that needs to be addressed at all levels, and educating students about it is critical. Educational institutions can play a significant role in sensitizing students towards environmental sustainability by organising events such as tree plantation drives and art competitions.

On a regular basis, students of MAIMS organise events that create awareness and encourage students to take an active role in preserving the environment. As an educational institution we continue to support our students to keep contributing through such events, to ensure that future generations are aware of the importance of environmental sustainability and are equipped with the skills and knowledge to preserve the environment.

SENSITISATION TOWARDS NATIONALISM AND PATRIOTISM

Nationalism and patriotism are important values that help shape a sense of belonging and identity among citizens. Educational institutions play a significant role in sensitizing students towards nationalism and patriotism through events that celebrate sacrifices and contribution of our national leaders.

These help to instill a sense of pride, belonging, and responsibility towards the country among students.

Celebrating national events such as Independence Day, Republic Day, and other national holidays provide opportunity an excellent educational institutions to sensitise students towards nationalism and patriotism. These events serve as a reminder of the rich history, cultural heritage, and sacrifices of the national leaders who fought for the country's freedom. They help appreciate students to significance of national symbols such as the national flag, national anthem, and national emblem.

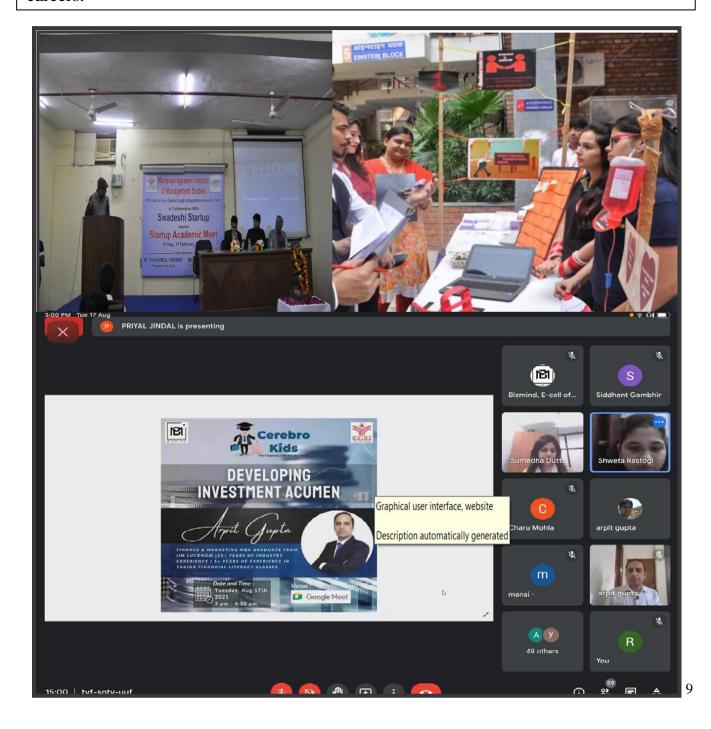

SENSITISATION TOWARDS LEADERSHIP AND ENTREPRENEURIAL SKILLS

Leadership and entrepreneurship skills are essential for students to succeed in today's competitive world. Providing a platform to showcase their business ideas is an excellent way to sensitise students towards leadership and entrepreneurship skills.

These activities help students to develop an entrepreneurial mindset, think creatively, and take calculated risks. Our students are encouraged to be self-motivated, resilient, and adaptable, which are essential qualities of successful entrepreneurs and leaders.

We continue to support student' initiatives for such activities to ensure that students develop an entrepreneurial mindset and become successful leaders in their future careers.

Title of the Practice: Value-Based Learning

A plethora of activities were conducted by MAIMS in the recent years which strongly evidence its success in achievement of one of its essential goals of providing 'Values-based education'.
