### Best Out of Waste Competition

(June 05, 2019)

*“Waste isn't waste until we waste it. Creativity is making marvelous out of discarded.”*

On World Environment Day, Environment Sustainability Club of Maharaja Agrasen Institute of Management Studies (MAIMS) organized a Best out of waste competition on June 05, 2019. The objective of the competition was to create love for environment by making best out of waste with help of recyclable things. Best out of waste is one such craft which follows environmentally friendly principle and at the same time creates useful objects out of waste products. Students used their imagination and creativity to make innovative things. Total of 25 students from different departments participated in the event.

Participants were allowed a time of 1 hour to make any object(s) using waste material like bottles, CDs, boxes, newspapers, waste wires etc. Ms. Sumedha Dutta and Ms. Riya Sharma judged the event and the participants were evaluated on the basis of creativity, usage of material and utility. The creativity displayed by the participants was mesmerizing and the competition promoted artistic caliber in our leaders of tomorrow.

Winners of the Best out of Waste competition were:
