Music is beneficial for children as it not only develops their aesthetic sense, but is also the key to creativity. It is one of the most beloved human experiences and plays an important role in the education of a child by providing it an opportunity of self- expression. An Inter-house Patriotic Song Competition was organized by *Swarag: The Music Society*, MAIMS on October 10, 2017, to expose our students to music, while also enhancing their language and presentation skills.
