Green Diwali Mela

(November 02, 2021)

Maharaja Agrasen Institute of Management Studies organized Green Diwali Mela on November 02, 2021. The Diwali Mela is a celebration of our spirit of service, creativity and endeavor to 'give back'. The brilliance of lights and the beauty of everything that surrounded us from the wonderful stalls to the smiles on the faces of children made the whole atmosphere beautiful and all the hard work that was put into making it successful worth it.

The **theme** this year was “**Jyoti**” which means illumination, enlightenment, and to bring light into darkness. It is about staying strong and holding onto hope even when things get dreary and hard. Light shines the brightest in the darkest hour.

12 teams participated for stall displays, with 15 participants in total. The stalls were competing on the basis of concept, presentation and performance in terms of sales. From organic soaps to designer jute bags, many creative stalls were in display. The stalls were judged by Dr. Umesh Pathak, Associate Professor, Department of Journalism and Mass Communication; Dr. Manoj Verma, Associate Professor, Department of Business Administration and Dr. Anil Kumar Goyal, Associate Professor, Department of Commerce.
