Rangoli Competition

(October 16, 2017)

Rangoli is a fabulous hand drawing art, originating in the Indian subcontinent, in which patterns are created on the floor using materials such as colours, diyas, flower petals, glitters etc. It is a way to express imagination. The purpose of rangoli is decoration, and it is thought to bring good luck as well. Keeping this in mind, a 'Rangoli Making Competition' was organized by *Srijana*: The Fine Arts Society on October 16, 2017 at the MAIMS campus for the students of all programs. The theme for the same was 'Diwali'.

Students put in lots of efforts and came up with amazing ideas. They used mirrors, diyas, laces, glitters and other decorative material to beautify their rangolis. 12 teams (total number of participants were 32) participated with great zeal and enthusiasm. The first position was bagged by Team 7 while second position by Team 10 in Rangoli making competition.
