Herb Exhibition

(January 04, 2019)

“Tell me and I will forget. Show me and I may not remember. Involve me and I will understand.” We urgently need to help young people learn about the fascinating world of herbal plants, their many uses, and joy of seeing them grow and using them. Keep this mind set Maharaja Agrasen Institute of Management Studies organized ‘Herbs & Petal Show’ which was followed by plantation drive. Teachers and Students can be brought closer to nature by setting up herbal gardens in campus which also further enhances their awareness towards medicinal plants. Various plants like Neem, Tulsi, Aloe Vera, Giloy, lemon many more were planted. 15 students helped in organizing the show which was attended by various students and all faculty members.
