BRANDWAGON - The Brand Pitching and Event Management Club of MAIMS, organized a Treasure Hunt. On February 25, 2022, the event took place in the college itself. There were 27 participants in total, representing various departments and batches.

In this activity, the participants were assigned with specific colour batches and were divided into 5 groups of 4 students each. With the aid of the organizing team's hints, they were instructed to locate at least 10 rocks of the designated colour. The hunt had a 120-minute time limit. The seventh and eighth floors were the hunting grounds.

Group Green ultimately prevailed in the hunt. The participants were:

1. Agrim Goel (Business Administration, Third Semester)
2. Aarav Sharma (Business Administration, First Semester)
3. Aadish Jain (BA LLB, Third Semester), and
