Under the Aegis of IQAC

Skill Enhancement Certificate Course

Accounting Software for Business 2.0

24th May-7th July 2022

Report

From basic invoicing and billing, to tax calculations and project management, accounting software is an essential tool for everyone's business' financial data. It also helps manage clients, reconcile bank accounts, and generate insightful financial reports that help your business grow smoothly and continuously. Using accounting software helps companies to use the resources in their accounting departments efficiently, and can reduce costly bookkeeping mistakes. Many companies have now been looking for a skilled professional, who possess knowledge of accounting software, data presentation & working on payroll services. Thus, it encouraged the seasoned faculty of MAIMS to design a skill enhancement course on accounting software for pursuing graduation students.

This Certification Course was the second initiative taken under the aegis of IQAC in association with PCJ school of management and the course was started for all the undergraduate students across the country. Prime objective of the course was to equip the students with the basics of financial recording data in accounting software. Specifically, the course covered in-depth lessons for recording vouchers, creating ledgers, creation of stock groups and generating financial reports. A total of 182 students enrolled in the course. The course was of 30 hours, divided in 20 sessions of one & half hour each. Registrations started from 16th may. Every session was followed with a practical assignment related to it. After the completion of the week (3 sessions), a feedback form was floated to get the viewpoint of the students. The students were assessed based on the assignment submitted, MCQ test, Attendance and feedback forms submitted..

It was a great learning experience for the students as well as for the faculty. The sessions were conducted by Mr. Inderpal Singh, Dr. Preeti Dargan, Dr. Anitha.G, Ms Anu Goyal, Dr. Ankit Goel and Dr. Monica Sharma. Certificates were given only to such students who successfully qualified all the four parameters, namely, attendance, feedback forms,

assignments, and quizzes.

The credit for this ambitious initiative goes to Dr. Manoj Verma (HOD, Business Administration) & his team, who worked under the able guidance of the Prof.(Dr.) Rajini Malhotra Dhingra, Director, MAIMS. Their constant support and encouragement helped in the successful accomplishment of this program.

***Convener – Mr. Inderpal Singh, Associate Professor**

**** Co- Convener- Dr. Ekta Dargan, Sr. Assistant Professor**

About the Course

This course is designed to impart knowledge regarding concepts of Financial Accounting Tally is an accounting package which is used for learning to maintain accounts. Online Tally course is practical and interactive. During the session, each Student will work through exercises and practice using the various Tally features covered during the course.

Using accounting software can help you save time and money, and offer you valuable insight into your business. If you choose the package carefully, investing in a computerized accounting system can be one of the best decisions you can make for your business. There are many benefits of accounting software like simple data entry, fast processes, automation of reports and analysis, automation of tasks, reduction of errors and integration with other systems. Many companies have now been looking for a skilled professional, who possess knowledge of accounting software, data presentation & working on payroll services. The students would be able to become employable in this fast-growing new age field by demonstrating the skills learnt through this course.

Objectives of the Course:

- Grasp keyboard shortcuts to improve speed and efficiency.
- Become well-versed with the accounting software shortcuts
- Master various intermediate and advanced accounting software functions.
- Produce high quality & dynamic reports for data presentations.
- Able to reconcile bank statement and print financial statements
