Workshop on Data Journalism

Convener: Dr. Nidhi Chaudhry

The Brandwagon Club of the Department of Journalism and Mass Communication at Maharaja Agrasen Institute of Management Studies successfully organized a Data Journalism Workshop on May 9th, 2023. The event witnessed a tremendous response, with the seminar hall filled to capacity and an audience that was both eager and engaged. The workshop proved to be a valuable learning experience for the budding journalists in attendance, opening new doors for their future careers and helping them understand the practical applications of data in journalism. The faculty members also benefited greatly, gaining valuable technical expertise in handling research data. This success would not have been possible without the expertise and guidance of Prof. Umesh Arya, the resource person for the workshop. Prof. Arya, who is Dean of the CMT Department at GJUS&T, imparted his knowledge and skills, contributing to the overall success of the workshop.
