## **Healthcare Changemaker Conclave 2023**

**2 April 2023**

### **Convener: Prof. (Dr.) Vinita Gupta**

On April 2, 2023, students of BA (JMC) of Department of Journalism and Mass Communication of Maharaja Agrasen Institute of Management Studies actively participated in the Healthcare Changemaker Conclave 2023, organized by the HEAL Foundation at the India Habitat Centre. This conclave was dedicated to emphasizing the importance of health awareness and recognizing the healthcare changemakers for their commendable work. The students had the opportunity to learn about the significance of health communication and patient advocacy throughout the event. The conclave comprised five sessions that delved into various topics related to health issues. It proved to be an immensely valuable learning experience for the students.

The distinguished Chief Guest at the Award Ceremony was Ms. Meenakshi Lekhi, the Minister of State for External Affairs. Her presence added to the prestige of the event as she acknowledged and honored the healthcare changemakers for their outstanding contributions.

During the conclave, the organizers also bestowed the 'Healthcare Changemaker Legend Award' upon Prof. (Dr.) Vinita Gupta, the Head of the Department of Journalism and Mass Communication. This award was presented to recognize and appreciate her active involvement in the health sector, which has made a significant impact. Prof. Gupta's relentless efforts and accomplishments exemplify her commitment to advancing healthcare communication and patient advocacy.

Overall, the Healthcare Changemaker Conclave 2023 proved to be a remarkable event that provided the students with valuable insights into health-related issues. The presence of esteemed guests and the recognition of Prof. Gupta's contributions further elevated the conclave's significance and highlighted the importance of collaborative efforts in the field of healthcare.
