# Maharaja Agrasen Institute of Management Studies

(A Unit of Maharaja Agrasen Technical Education Society) **Affiliated to GGSIP University, Delhi** Recognized U/s 2(f) of UGC & Bar Council of India ISO 9001:2015 Certified Institution

Campus: Maharaja Agrasen Chowk, Sector-22, Rohini, Delhi-110086 India (Est. 2003)

Office Phone: 8448186947

www.maims.ac.in

Courses offered: BBA, B Com(H), BA(H) Economics, BAJMC, BALLB,

- 30 hours training on various Intermediate level **Excel Functions**
- Applying pivot table to analyze large volumes of data.
- Producing high quality dynamic charts for data presentations.
- Various Statistical Analysis functions.

**Course Description** 

Course Name: "Intermediate Level Excel"

- **Course Objectives:** This MS Excel certificate course has been designed to introduce Students to the basic commands, functions, and capabilities of Microsoft Excel used in business. This course will help Students to understand and utilize the various functions of MS Excel and enable the students to become more efficient in the workplace. This excel course is very practical and interactive. During the session, each Student will work through exercises and practice using the various Excel features covered during the course.
- **Commencement Date:** Monday, 10<sup>th</sup> December 2018

#### Contents of the Course

| <u>Lect. No.</u> | <u>Topics</u>                                               |
|------------------|-------------------------------------------------------------|
| 1                | Examine spreadsheet concepts                                |
| 2                | Create, open and view a workbook.                           |
| 3                | Ranges and Dates                                            |
| 4                | Work with cell references.                                  |
| 5                | Page Formatting, Basic Excel Formulas and functions         |
| 6                | Auto fill and custom lists                                  |
| 7                | Introduction to Tables                                      |
| 8                | Conditional Logic                                           |
|                  |                                                             |
| 9                | Conditional aggregation  Conditional Formatting             |
| 11               | Group, Sort, Filter and AutoFilter Worksheet Data           |
| 12               | Formatting Charts                                           |
| 13               |                                                             |
|                  | Text Functions; Statistical Functions                       |
| 14               | Mathematical Functions and Date Functions                   |
| 15<br>16         | Financial functions  Data Consolidation and Data Validation |
| 17               | VLOOKUP and HLOOKUP Basics                                  |
| 18               | Creating data entry forms in Excel                          |
| 19               | Introduction to Pivot tables                                |
| 20               | Introduction to Macros                                      |
|                  |                                                             |

#### Who Can attend?

• This Skill Enhancement Certificate Course would be beneficial for students for enhancing their data analysis skills.

### **Registration & Certifications**

- Number of Seats: Limited seats are available on first cum first served basis.
- Registration Fees (per person):

| Dates                                      | For External Participants | For Internal Participants |
|--------------------------------------------|---------------------------|---------------------------|
| <b>Upto</b> 3 <sup>rd</sup> December 2018  | ₹2000/-                   | ₹100/-                    |
| <b>After</b> 3 <sup>rd</sup> December 2018 | ₹2500/-                   | ₹200/-                    |

- **Cash Prizes of** ₹500/- each shall be given to top 3 performers.
- **Certificate of Merit** will be issued to top 5 Performers.
- **Certificate of Completion** will be issued to the participants who successfully complete the course.

Skill Enhancement Certificate Course "Intermediate Level MS Excel" 10 December 2018- 18 February 2019

#### **REPORT**

Excel is the most effective tool for managing and analyzing data of all kinds. Its increasing use in several management functional areas is generally recognized. This dynamic tool provides several options for not only making the task easier, but also for improving the sophistication of data reporting and analysis. Its numerous advantages motivate IT faculty at MAIMS to create a certificate course on Business Applications of MS Excel-Intermediate for our students' benefit.

This Certificate Course was the initiative for undergraduate students. The prime objective of the course was to introduce students to basic commands, useful functions, and capabilities of Microsoft Excel used in business. The course focused on in-depth Excel courses, including how to use various Excel formulas, tables, and charts to manage small to large-scale corporate processes. Each Microsoft Excel training session emphasized time-saving tactics, as well as discovering previously "programmer-only" capabilities. Along with this practical and usable training, students also learnt how to integrate their work within the Office "family" for achieving greater results.

Two batches of students were formed to provide them more attention for each session. The course was divided into 20 sessions and each session was taken by different faculty members. The registration for the course started from 3rd December 2018. The classes began from 10th December 2018 which ended on 18th February 2019. The classes of 1st Batch were conducted on Monday, Wednesday and Friday and the classes of 2nd Batch were conducted on Tuesday, Thursday and Saturday. All the classes were offline and the venue for the same was Lab 1. The timing of the classes was 3:00 pm to 4:30 pm. 120 students registered themselves with this course. Feedback forms were filled by students. At the end of each session there was an assignment to assess the understanding level of the students. And there were two quizzes conducted one in the middle of the course and secondly, after completion of all sessions a final quiz was conducted.

It was a great learning experience for the students as well as for the faculty. Session 1 was taken by Dr. Sangeeta Rawal, Session 2 by Ms. Neetu Agarwal and Session 3 by Ms. Rashi Aggarwal, Session 4 was taken by Dr. Sushila Gupta, Session 5 again by Ms. Shruti Sharma, Session 6 by Ms. Sarita Garg and session 7 by Dr. Deepak Dagar. Certificates were given only to such students who successfully qualified all the four parameters namely, Attendance, feedback forms, Assignments and Quizzes. Total 120 students across the country have registered for this course and have qualified all the above stated parameters.

Such programs always give an edge to the students when it comes to working in the corporate world. Knowledge of excel has become the essential part of every business and job. The credit for this ambitious initiative goes to Prof. M.K Bhat, Director, MAIMS and Dr. Vijay Khurana (Chief
