- Making students come close to the environment and pour down their observations in the form of posters, bringing out their creative side. Letting them express themselves better using visuals.
- Students transformed their approach of showcasing their thoughts from words to colors and sketches.

REPORT

The Department of Commerce, MAIMS organized a “Green Week 2023: Invest in Our Planet” from 15th May 2023 to 19th May 2023 for the students of MAIMS. The activities included in the event were based on the theme “Environment Science and Sustainability”. The Event is being organized in association with “Go Green India Foundation”. On the Day 2 a Poster making Competition was conducted on the theme: Global warming and Environment Science and sustainability. 52 students participated with full enthusiasm and zeal by showcasing their sketching skills of making a poster on either of the above mentioned theme. Some students participated in the team of 2 and some participated individually. Winners were announced by the end of the event. Certificates of participation were distributed in the valedictory session by Go Green Foundation.

Winners for the event were given the cash prizes, medals, certificates and mugs.
