Notice

Sub: Information to the candidates whose name may be missed in the attached list of the candidates applied for Registration of Management Quota Admission on the Institute Online Portal due to some Technical Glitch

All the candidates who have already applied through the Management Quota Portal of the Institute and are interested in seeking admission to our esteemed institute for the Academic Session 2023-2024 till August 13, 2023, in various programmes are hereby advised to go through the attached list. If you didn't find your name in the list and have already paid the registration fees online through the Management Quota Portal of the Institute, needs to complete the registration process by filling up of the online application form at our Institute.

To complete the registration process do meet the Director/Dean of the Institute in person. The registration of such students in our Institute will take place on August 16-17, 2023, Kindly report in the Institute by 10:00 am. Make sure to bring all the necessary documents (both hard and soft copies) and details required for the admission process. No further request for adding of names will be entertained.

Whose names already exist in the attached list may please ignore the above information.

We again advise the aspirants not to solely rely on the management quota admissions as the number of seats available through this quota is only 10% of the total intake. These seats will be filled based on merit, considering the aggregate marks obtained in the qualifying exams. Therefore, it is highly recommended to actively participate in the centralized counselling conducted by GGSIPU for the remaining 90% seats. The probability of securing a seat is higher when applying through the centralized counselling against the 90% open seats. So those candidates who have scored higher/better rank in JEE Mains are again advised to apply a Fresh if not registered previously or modify your choices/preferences either of the Institute or branches for 3rd round of counselling to get better for getting seat in our Institute and advised to read the above mentioned GGSIPU notification thoroughly (F. No. IPU/Online Counselling/2023/4129 dated: August 8, 2023).

For any further updates or notifications, please regularly visit the Institute and GGSIPU websites.
