Notice

Sub: Additional list of the candidates who have applied and registered for Management Quota admissions at the Institute after August 13, 2023

Referring to the Institute notice of August 13, 2023, please find enclosed the additional list of the candidates who have applied and registered for Management Quota admissions at the Institute after August 13, 2023.

We again advise the aspirants not to solely rely on the management quota admissions as the number of seats available through this quota is only 10% of the total intake. These seats will be filled based on merit, considering the aggregate marks obtained in the qualifying exams. Therefore, it is highly recommended to actively participate in the centralized counselling conducted by GGSIPU for the remaining 90% seats. The probability of securing a seat is higher when applying through the centralized counselling against the 90% open seats. So those candidates who have scored higher/better rank in JEE Mains are again advised to apply a Fresh if not registered previously or modify your choices/preferences either of the Institute or branches during further round of counselling to get better for getting seat in our Institute.

For any further updates or notifications, please regularly visit the Institute and GGSIPU websites.
