Adherence of Time Schedule for 1st & 2nd Shift Programmes

We have 2nd Shift in different programmes i.e. BBA 2nd Shift, BA (JMC) 2nd Shift, B. Com (H) 2nd Shift, BA Eco. (H) 2nd Shift. In this regards, we want to state the following points :

1. It has been discussed in detail by Concerned Government Authorities that there are girl's students who travels from various part of Delhi and NCR and proper transport facilities are not available.
2. Both for boys and girl's students are more comfortable in attending the Institute classes in regular timings.
3. MAIMS has adequate infrastructure to conduct classes in regular timings.
4. MAIMS has sufficient Faculty, Staff and Computer Labs to conduct the classes of 2nd shift students in the regular timings.

Hence, considering the above facts, we conduct the classes of above mentioned programmes in regular timings i.e. 9.00 A.M. to 5.00 P.M.
