WELCOME TO MAIMS

Education and Educators have always played an instrumental role in the development and advancement of society and humankind. We are living in an era of rapid change, with global expansion of skills and expertise in a variety of fields. The role of education has shifted from rote memorization to proactive learning. We at MAIMS are conscious of these needs and are continuously striving to attain them.

As part of our commitment to being at the forefront of education, we collaborate with and maintain excellent relationships with industry and leading corporate houses for training and internship opportunities. This gives our students an edge over others, which is reflected in our year after year high placement rates.
