On Friday, December 1, 2023, the Department of Commerce, Maharaja Agrasen Institute of Management Studies, organized a school visit to MCD School in Rohini Sector 21.

The objective of this program is to aware students of school about the hazards of increasing pollution and the importance of physical health in their daily life. This pollution is the major reason for many health-related problems nowadays and the students should know the reasons for this pollution and the precautions they can take for it.

Seven students from the Commerce Department, MAIMS along with Dr. Sheetal Badesra, Assistant Professor (Department of Commerce), Ms. Divisha Gupta, Assistant Professor (Department of Commerce), and Ms. Srishti Garg (Department of Commerce) went for the visit.

Following the address note, students reached the school at 8:00 am. The teachers and students of the school welcomed and greeted us with all respect. The Principal of the School addressed the assembly and informed the students about our school visit.

The speaker told the students about the various types of Pollution, its impact on health and the measures they should adopt to protect themselves from it. They were also taught about actions they can take to reduce pollution. This was followed by a small quiz competition including questions related to general knowledge, health, physical fitness, etc. The student giving the right answer was rewarded with a chocolate.

The principal and the school students thanked MAIMS for their contribution to the betterment of their lives and the motivation to study.

The visit ended at 10:00 am and the students then returned to the college.

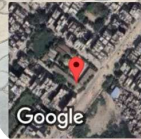

#### **OUTCOME:**

- Student interacted with the school students.
- Students knew the importance of spreading awareness.
- Students enjoyed doing the social work by spreading the knowledge they have.
