- To understand the dos and don'ts of the industrial practice.

On Monday, 4<sup>th</sup> October, 2023, Department of Commerce, Maharaja Institute of Management Studies, organized an industry visit to Safexpress Pvt. Ltd. Safexpress has firmly entrenched itself as the 'Knowledge Leader' and 'Market Leader' of the Supply Chain & Logistics industry. Safexpress offers a complete spectrum of Supply Chain & Logistics Services including Express Distribution, 3PL and Consulting Services to Enterprise Customers. Safexpress provides services to a vast array of business verticals ranging from Apparel & Lifestyle, Healthcare, Hi-Tech, Publishing to Automotive, Engineering & Electrical Hardware, FMCG & Consumer Electronics, Institutional and Alliance Partner Management. Safexpress has been significantly involved in the Indian economic growth saga for the whole of last decade. With its Largest Fleet of 10,000+ GPS-enabled vehicles and Largest Network of 312389 pincodes across the country, Safexpress covers every square-inch of India. The company operates on 2457 routes and deliver 134+ million packages a year to over 5000 corporates across India

The objective of the visit was to help students gain a practical insight behind industry's working methods and operations. The visit was organized to provide students with an opportunity to test their theoretical knowledge and understand the practical functioning of industry system. 40 students from the Commerce Department, MAIMS along with Dr. Kamal Gupta, Assistant Professor (Department of Commerce) and Ms. Shreya Garg, Assistant Professor (Department of Commerce) went for the visit.

The day started with a motivating address by Prof. (DR.) Rajni Malhotra, Director, MAIMS and Prof. (Dr) Manju Gupta, Head, Department of Commerce. Prof. (Dr). They started with pointing out the importance of industry visit in building entrepreneurial mindset among students and enhancing their understanding.

Following the address note, students were boarded in the bus and the bus left the college at 9A.M. The bus reached the industry unit at 11 A.M and students were gathered at the main operation ground of the unit. The Chief Head and the Manager of the corporation welcomed students and started explaining the background of the unit, business objective and working methods followed in the corporation. They also highlighted the significance of each machine present in the operation ground. Students took an active interest and came up with lot of questions which were attended by the Manger.

The Chief Head and the Manager of the corporation gave a full tour of the industry unit explaining the logistics and importance of each segment. The students were taken to all the sub units like storage, segregation point, loading and unloading docs. The students participated enthusiastically and cleared their doubts regarding taxing of commodities, competitors existing in the industry, technicalities of the operations etc.

The visit ended at 3:00 P.M and students were boarded back into the bus and were dropped to the college.

**Outcome:**

- Students understand the practical knowledge in the area of supply chain management
- Students learned the real working environment, workstations and organisation's operational system like 3PL, Logistics spectrum etc.
- Students understand complications and their solutions arise during operations.
