Report on Training Session on Lexis Nexis Portal Usage

Maharaja Agrasen Institute of Management Studies, Rohini, Department of Law organised a training session on the usage of Lexis Nexis Portal on April 29, 2024 for the students of 1st year, BALLB & BBALLB. The session aimed to deepen students' understanding about an online legal research platform that provides access to a vast collection of Indian legal content, including case laws, statutes, regulations, legal articles, and their analytical features designed to streamline legal research.

Key topics covered

- **Extensive Database:** Lexis Advance India offers access to a vast repository of Indian legal materials, including judgments from various courts, legislation at the central and state levels, legal commentaries, and scholarly articles.
- **Advanced Search Capabilities:** The platform provides powerful search functionality, allowing users to conduct precise searches using keywords, citations, party names, or specific legal topics. Advanced search filters enable users to narrow down results based on jurisdiction, date, or document type.
- **Case Analysis Tools:** Lexis Advance India offers tools for analyzing case law, which helps users validate the authority of case law and identify subsequent judicial treatment. Case headnotes provide concise summaries of key legal principles discussed in judgments.
- **Legislation and Regulations:** Users can access a comprehensive collection of central and state legislation, along with historical versions and amendments. Lexis Advance India also provides access to official gazettes and regulatory updates.
- **Legal News and Analysis:** The platform features legal news updates and analysis from leading legal experts, keeping users informed about recent developments in Indian law and jurisprudence.

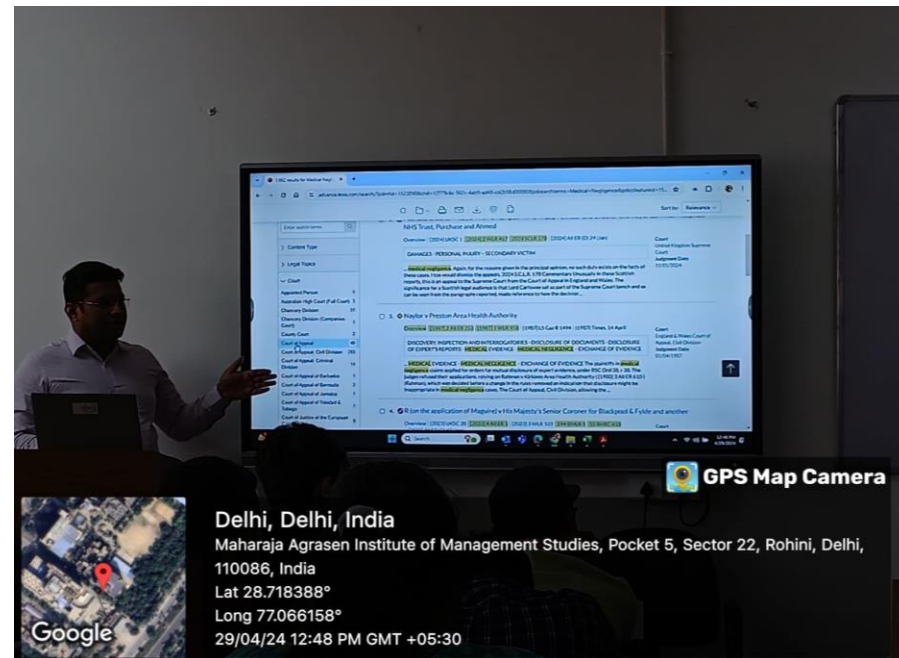

At the end, students were asked to get their queries resolved so that they can use the legal platform for their research in enhancing their knowledge and build themselves as a researcher for all the moot court competitions and other purposes. The learning session provided students with a comprehensive overview of LEXIS NEXIS as an ideal platform to find out legal precedents, judgements, legal articles etc.
