Visit – India Mobile Congress 2024

Date: October 16, 2024 **No. of Participants**: 55 **Timings:** 9:00 AM onwards

Faculty Coordinators: Ms. Neetu Agarwal, Assistant Professor, Dept. of Computer Applications

Mr. Aashish, Assistant Professor, Dept. of Computer Applications

Venue: Bharat Mandapam, New Delhi

The Department of Computer Applications of Maharaja Agrasen Institute of Management Studies (MAIMS) organized a visit to the **India Mobile Congress 2024 (IMC'24)** at **Bharat Mandapam**, **Pragati Maidan**, **New Delhi**, on **October 16**, **2024**. The visit, conducted under the aegis of IQAC, aimed to provide students with exposure to the latest advancements and innovations in the fields of telecommunications, mobile technology, and IT. A total of 55 students participated in the visit, which commenced at 9:30 AM. The visit started with a guided tour of the IMC'24 exhibition, where students explored a wide range of emerging technologies, including 5G, AI, cloud computing, and Internet of Things (IoT). Leading industry giants showcased their latest inventions, providing students with a hands-on experience of cutting-edge technology. The students were particularly engaged with demonstrations of new telecom infrastructure, AI-driven applications, and mobile innovations that are expected to shape the future of the IT and digital sectors. They had the opportunity to interact with experts and professionals, gaining insights into how these technologies are applied in real-world scenarios.

BCA Students, MAIMS visit to IMC'24 at Bharat Mandapam

Interaction of students on 6G with the Industry Expert

Overall, the visit was a resounding success, providing students with valuable exposure to the latest technological trends and innovations. It underscored the institute's commitment to offering practical learning experiences that align with industry advancements, thereby equipping students with the essential knowledge and skills for their future careers.
