Maharaja Agrasen Institute of Management Studies (MAIMS), in collaboration with Sanskrit Bharati, organized a Certificate Program in Sanskrit Speaking from October 26, 2023, to November 27, 2023. The Centre for Human Values and Skills Enhancement facilitated this initiative, which was designed to strengthen the foundation of Sanskrit as a spoken language and rekindle its significance in contemporary times. The program was guided by the theme “Reviving a Language, Rejuvenating a Culture,” emphasizing the importance of Sanskrit as a cornerstone of Indian heritage. It aimed to equip participants with the skills to use Sanskrit in daily communication, simplify the learning process for beginners, and foster a deeper appreciation of India’s cultural and linguistic wealth.

A total of 90 students from diverse academic backgrounds enthusiastically enrolled in the program. The carefully structured sessions catered to beginners and intermediates, focusing on conversational Sanskrit, pronunciation, and basic grammatical structures. Participants were encouraged to engage in interactive activities, making the learning process dynamic and enjoyable. The sessions were conducted by Sh. Manish Kumar, a distinguished expert from Sanskrit Bharati. His teaching approach simplified the intricate nuances of Sanskrit, breaking

down complex concepts into easy-to-understand modules. Through interactive teaching methods and real-life examples, he ensured active participation and retention of knowledge. The students not only gained a theoretical understanding of the language but also practiced spoken Sanskrit through group discussions and role-play exercises.

The course content included an introduction to Sanskrit's historical and cultural relevance, training in correct pronunciation, basic grammatical understanding, and the development of conversational skills for everyday scenarios. Insights into Sanskrit's influence on literature, philosophy, and science were also shared. The program culminated with a practical assessment where participants showcased their learning through short speeches and conversations in Sanskrit.

The program was convened by Dr. Umesh C. Pathak, whose meticulous planning and coordination ensured its seamless execution. His efforts motivated students and maintained the program's momentum throughout its duration. The program left a lasting impact on participants, enhancing their confidence in using Sanskrit for everyday communication and inspiring many to explore Sanskrit literature and texts further. It renewed their interest in preserving and propagating this timeless linguistic treasure. Participants expressed gratitude for the opportunity to learn Sanskrit in an engaging and supportive environment.

Special thanks are extended to Dr. Rajni Malhotra Dhingra, Director of MAIMS, for her constant support and visionary guidance. Her encouragement to undertake such initiatives reflects the institution's commitment to holistic education and cultural enrichment.
