Action Plan to Improve Programme Outcomes:

All Programme Outcomes (PO) and Programme-Specific outcomes (PSO) have met or exceeded the targets. However, to foster continuous improvement, following proactive measures are planned:

1. PO5 - Communicate effectively, articulate accurately, and present professionally:

Will enhance communication workshops focusing on public speaking, articulation, and presentation skills.

Will offer professional development seminars/Value added courses on effective communication in business, with emphasis on clear, concise articulation and presentation to diverse audiences.

Will introduce mock presentations during the mentor-mentee sessions to build student confidence in public speaking.

2. PO6 - Create an inclusive culture with congenial interpersonal relationships and teamwork:

Will introduce collaborative projects that require students to work with peers from different backgrounds, ensuring a focus on inclusivity and mutual respect.

Will develop mentoring programs where senior students guide juniors on interpersonal relationships and effective teamwork.

3. PO3 - Enhance problem-solving abilities for decision-making in financial services and operations:

Will introduce more case study competitions and problem-solving workshops focused on financial services.

Will conduct "real-world" problem-solving sessions with industry leaders to simulate decision-making challenges in the finance sector.

Will motivate students to take Major project Reports and Summer Training Reports on areas related financial services and products.

4. PO8 - Demonstrate awareness of ethical issues and sensitivity towards social and environmental challenges:

Will invite guest speakers from NGOs, social enterprises, and corporations with strong ethical practices to discuss real-world challenges.

Will integrate case studies that present ethical dilemmas, encouraging students to analyze the financial, social, and environmental impacts of their decisions.
