The students of Journalism and Mass Communication department of Maharaja Agrasen Institute of Management Studies, Rohini organised a visit to Doordarshan Bhawan for DD dialogue on the topic, G20: Global Good for a better Planet on 4th September 2023

The panels explored three significant reasons why India remains economically stable while other parts of the world face turbulence that are remarkable infrastructure development, access to larger markets and bridging the urban rural divide. Former Ambassador J.S. Mukul stressed the importance of political stability in ensuring economic stability. He highlighted the need for India to play a significant global role and to The students of Journalism and Mass Communication department of Maharaja Agrasen Institute of Management Studies, Rohini organised a visit to Doordarshan Bhawan for DD dialogue on the topic, G20: Global Good for a better Planet on 4th September 2023.

It consisted of various panel discussions with distinguished guests who shared their journeys, upcoming projects, future developments and goals of the current G 20 summit with India 's presidency. The panel featured prominent figures such as Mr. Ajay Seth, Mr.Subhrakant Panda, Mr. V Ananth Nageswaran, Dr. Sachin Chaturvedi, and Former Ambassador J.S. Mukul shed light on India's economic stability and its commitment to a sustainable nation

In another panel featuring Dr. Vibha Dhawan, Ambassador Mr. Hardeep Singh, Dr. Anubhav Ghosh, and Dr. Ajay Mathur, the focus was on sustainability where they emphasised the need for better collaboration, alliances, and a cohesive approach to tackle global challenges. Solar energy was highlighted as a means to reduce energy imports and carbon emissions.

The G20 panels highlighted India's economic stability and its pivotal role in addressing global issues and promoting sustainability. India's commitment to inclusive growth, infrastructure development, and sustainable practices positions it as a significant player in the global arena.
