Date of the Event: 12th January, 2025

Time of the Event: 11:00 AM Onwards

Location: SEBI, East Kidwai Nagar, New Delhi

Number of Students participated: 45

On 12th February 2025, the Department of Commerce, under the leadership of Dr. Kamal Gupta and Professor Dr. Manju Gupta, the Placement Coordinators, organized an insightful Industrial Visit to the Securities and Exchange Board of India (SEBI). The session was aimed to provide students with insights into the regulatory framework of India's securities market and to understand SEBI's role in ensuring transparency, fairness, and investor protection.

The industrial visit to SEBI was a highly enriching experience for the BCom H department students, who actively participated in understanding the regulatory framework governing India's securities market. During the visit, students gained valuable knowledge about SEBI's role in ensuring transparency, maintaining market integrity, and protecting investor interests.

An interactive Q&A session followed the presentation, where students had the opportunity to engage directly with SEBI officials. This open discussion allowed students to clarify their doubts and explore real-world applications of market regulations, making the experience more practical and relatable. The session covered various aspects of financial regulation, market trends, and SEBI's initiatives to promote a fair financial environment.

Students found the session beneficial as it deepened their understanding of the capital markets and the critical role of regulatory bodies like SEBI. The hands-on interaction provided them with insights that are essential for their future careers in finance, business, and economics. Overall, the visit proved to be a valuable learning experience, equipping students with practical knowledge that will serve them well in the competitive corporate world.

Let us have a glimpse of today's successful event.

Interactive QnA session among the officials and students
