Aviral Dhara 2025

Name of Event: Aviral Dhara 2025	Date: 8 th March, 2025; 3:00 pm onwards
---	---

The Alumni Meet, *Aviral Dhara 2025*, was successfully organized at Maharaja Agrasen Institute of Management Studies, bringing together former students, faculty, and current students to celebrate the spirit of unity, achievements, and lifelong connections. This grand occasion served as a bridge between the past and present, strengthening the institution's network and honouring the accomplishments of its alumni.

It was truly a pleasure reconnecting with alumni and celebrating the incredible achievements of our alumni community. The presence of alumni added warmth, enthusiasm, and inspiration to the event, making it a memorable gathering for all.

The event commenced with a warm welcome by the hosts, followed by the Lamp Lighting Ceremony and *Saraswati Vandana*, symbolizing wisdom and enlightenment. The audience then stood in reverence as the Kulgeet of MAIMS was played, reinforcing institutional pride and unity.

Sh. Vineet Kumar Lohia (Chairman, MATES) delivered insightful addresses, emphasizing the importance of alumni connections and institutional growth.

A special highlight of the event was the Newsletter Release, showcasing alumni achievements and institutional progress. This was followed by the Distinguished Alumni and Academic Excellence Awards, recognizing exceptional contributions of former students. Notably, Krishan Thapar (RJ at Radio Mirchi)

was celebrated for his accomplishments in media and broadcasting. Prof. (Dr) Rajni Malhotra Dhingra, Director MAIMS announced schemes that invite and encourage alumni to contribute towards the fund that shall be utilized to provide financial assistance to our current students and also non-monetary support in terms of expertise, talks, workshops etc conducted by our former students.

The Saarthi Scholarship Scheme at MAIMS is a noble initiative aimed at providing financial assistance to underprivileged yet meritorious students, ensuring that no deserving student is deprived of quality education due to financial constraints. This initiative enables our esteemed alumni to contribute through cash donations, directly supporting students in their academic journey. We are proud to share that the 1st batch of BBA (2003-2006) has generously donated ₹1 lakh towards the Saarthi Scholarship, setting an inspiring example of giving back to the alma mater. Their contribution will help shape the future of young scholars, empowering them with the resources they need to excel. Every contribution, big or small, makes a difference in building a brighter future for the students of MAIMS.

Another initiative of the alumni meet was the flagship '*Dronacharya Scholarship Scheme*' at MAIMS, a unique initiative that bridges the gap between our esteemed alumni and current students, fostering a culture of mentorship, knowledge-sharing, and professional growth. This scheme enables alumni to actively contribute to the academic and professional development of students by organizing workshops, guest lectures, and interactive sessions in their respective fields of expertise. By participating in the Dronacharya Scholarship Scheme, our alumni become guiding mentors, empowering the next generation of MAIMS graduates with real-world knowledge and skills.

The evening was further enlivened by cultural performances, starting with a high-energy folk dance performance by Bhangra Knights – the Folk Dance Society of MAIMS, which captivated the audience with its vibrant energy and traditional beats. This was followed by a stunning fashion show by Cygnus – the Fashion Society of MAIMS, where students showcased creativity and confidence, adding a touch of glamour to the evening.

The event concluded with snacks and refreshments, followed by a live concert by Raonit Singh ft. Sarvagya, which captivated the audience with mesmerizing performances. The night ended on a high note with dinner and an electrifying EDM set by Ankit x Kunal, ensuring a memorable and energetic close to the alumni meet. The meet wrapped up with reflections on shared memories and friendships, reinforcing the idea that while alumni may venture into different paths, their connection with MAIMS remains strong.

The event was a testament to lifelong learning, collaboration, and the lasting impact of education.

As part of the alumni meets, nominations were invited for the revision of the alumni committee including the Alumni President & Vice-President. To facilitate a smooth, transparent, and inclusive selection process, a Google Form-based nomination system and online polling were implemented.

The selection process was conducted in two phases:
