Report

Workshop on "Data Analysis with IBM Cognos"

Date: 24-28 March,202576
Timings: 3:00 PM- 4:00 PM
Venue: Hybrid mode
        Offline: BCA Lab, 5th Floor, MAIMS
        Online: Via Gmeet
Resource Person: Ms. Neetu Agarwal (Assistant Professor, MAIMS)

The **Department of Computer Applications** at **Maharaja Agrasen Institute of Management Studies (MAIMS)**, under the aegis of **IQAC**, successfully organized a **5-day workshop on "Data Analysis with IBM Cognos"** from **March 24 to March 28, 2025**. The workshop was conducted in a **hybrid mode**. The workshop saw enthusiastic participation of 19 students from various schools and colleges. The primary objective of the workshop was to provide hands-on training in **IBM Cognos**, a widely used business intelligence tool. Participants were guided through essential topics such as importing and cleaning data, data transformation and modelling, working with visualizations, expressions, calculated fields, and creating dashboards and reports.

Workshop was conducted by Resource Person, Ms. Neetu Agarwal, Assistant Professor, MAIMS.

Participants received their certificates of completion during the valedictory ceremony on the final day of the workshop.

Dr. Sarita Bansal Garg, HOD, BCA, awards the Certificate of Completion to the students during the valedictory ceremony.

The workshop was led by the **resource person, Ms. Neetu Agarwal, Assistant Professor, MAIMS**, who provided in-depth insights and practical demonstrations. The sessions were highly interactive, allowing participants to apply their learnings in real-time. The structured approach helped students gain a comprehensive understanding of data analytics with IBM Cognos.

The final day of the workshop was dedicated to the **IBM Certification course**, where students successfully completed their certification, demonstrating their understanding of the concepts learned throughout the sessions. Upon successful completion, they were awarded the IBM Certification validating their proficiency in data analysis. The event received overwhelming appreciation for its

structured approach, practical exposure, and industry-relevant insights. The Department of Computer Applications at MAIMS extends its heartfelt thanks to all participants and faculty for their contributions in making this workshop a grand success. The workshop concluded with a valedictory ceremony, where participants were awarded their certificates of completion, marking their achievement in the field of data analysis.
