INTRODUCTION:

In collaboration with the **Department of Business Administration, Illuminate – The Learning Hub of MAIMS** hosted an exclusive podcast session, “**The Wealth Equation – Where Strategy Meets Success!**” featuring **Jaskirat Singh Gujral**, a finance expert and founder of **FinancialAdda**. The session aimed to equip students with financial knowledge, investment strategies, and insights to make informed financial decisions.

The event was hosted by **Aishna and Atishay**, who facilitated an engaging discussion on topics ranging from financial markets to investment psychology.

OBJECTIVE:

- To enhance students' understanding of **financial literacy and investing**.
- To discuss **market trends, crashes, and their impact on the economy**.
- To explore **investment strategies for young professionals**.
- To provide insights on **investment psychology and avoiding common mistakes**.

EVENT OVERVIEW:

The session was structured into five key segments:

- **Personal Journey & Investing Basics:** Jaskirat shared his experience in financial markets, how **FinancialAdda** started, and key financial lessons for beginners.
- **Market Trends & Crashes:** He explained the impact of **market downturns, IPOs, and government interventions** during financial crises.
- **Building a Strong Portfolio:** The discussion covered **diversification, passive investing strategies, and identifying long-term opportunities**.
- **Investment Psychology:** Jaskirat emphasized the importance of **staying calm in market fluctuations** and understanding one's **risk appetite**.
- **Financial Literacy & Closing Thoughts:** He highlighted **common financial mistakes, must-read investment books, and essential financial lessons** for students.

OUTCOMES:

- **Improved Financial Awareness** – Attendees gained insights into investing, budgeting, and market behavior.
- **Practical Investment Knowledge** – Students learned strategies to build wealth and manage risks.
- **Confidence in Financial Decision-Making** – The session encouraged proactive financial planning among participants.

CONCLUSION:

The podcast session, “**The Wealth Equation – Where Strategy Meets Success!**”, was an insightful and engaging discussion that empowered students with essential financial knowledge. With **Jaskirat Singh Gujral's** expert advice, participants walked away better equipped to navigate financial markets and make smart investment decisions.
